- **Shree Jain Vidyalaya**   *West Bengal, India*
  X – WB Board; ***Percentage : 77.4%***   *2020*

SKILLS

- **C**
- **C++**
- **Java**
- **Python**
- **Data Structures**
- **SQL**
- **HTML**
- **CSS**
- **Java Script**

Experience

- ❖ **SUS HACKS 2K24 – 27TH – 28TH April 2024**

  *A 24-hour Technical Hackathon held by **Vignan's Institute of Information Technology (Autonomous).** Our team worked on voice-operated transactions that allow users to send money using their voice, all while ensuring exceptional security.*

Projects

- o **Expanding Slides**

  *Expanding compacted images by clicking on them using **HTML, CSS, and JavaScript**. Utilized the event listener concept in JavaScript, sizing and display concepts in CSS, and basic HTML knowledge. My goal was to enhance the visualization of the user.*
